LG QNED evo AI QNED75 MiniLED 4k Smart TV

Discover the next generation of LG's Smart AI TVs for an optimal viewing experience. The LG QNED evo AI QNED75 combines MiniLED technology with Quantum Dot NanoCell colour to deliver a vibrant and immersive picture. It adjusts backlights precisely to maintain deep black levels and bright highlights, ensuring you are fully captivated by your entertainment. It is powered by an advanced AI processor that upscales content to 4K resolution and operates on the intuitive webOS platform, which utilizes LG ThinQ for smart, personalized AI recommendations.

- Available Sizes: 43", 50", 55", 65", 75", 85"
