Headline Copy

The Samsung Electric Cooktop offers fine tuned power to address a wide range of cooking needs.

Long Description

The Samsung Electric Cooktop offers fine tuned power to address a wide range of cooking needs. The Rapid Boil burner has precise control to make quick adjustments between boiling and a low even simmer. There's a burner for all of your needs, whether you're boiling water, melting chocolate or simmering sauce. Distinctive Blue LED Illuminated Knobs let you know if your cooktop is on, even from a distance.
