| Width | 35 7/8" |

Features & Benefits

Multi-shelf cooking
Our AeroTech™ system circulates air evenly throughout the entire oven so dishes on the top shelf turn out just as perfect as food cooking on the bottom shelf.

Design quality
This range has been carefully crafted in every detail from performance to durability using quality materials including the balanced soft-close door, rounded hob rail and glowing halo dials.

Large capacity
The large 4.9 cu ft capacity for this range gives you plenty of space to cook multiple dishes at the same time.

Performance power
Precise cooktop controls let you sear or stir fry over instant, powerful heat. Use the high burner power or simmer a delicate sauce using the gentlest of heats.

Easy cleaning
With its durable surface, your cooktop simply needs a quick wipe after cooking to keep it looking good as new for years to come.

Precise control
Accurate electronically-controlled oven heat gives you better results in the kitchen.
