Café[™] 30" Slide-In Front Control Induction and Convection Range with Warming Drawer

CHS900P4MW2 / CHS900P3MD1 / CHS900P2MS1

DISTINCT BY DESIGN™

ALSO AVAILABLE IN

CHS900P2MS1 Stainless Steel with Brushed Stainless handles and knobs

Matte White with Brushed Bronze handles and knobs

FEATURES & BENEFITS

An attractive appearance at all times - Every detail of your kitchen is designed to delight, thanks to a sleek backlit glass touch control panel that visually disappears when not in use and wakes up when prompted

The perfect combination of power & precision - Stun guests by showing off your 11" 3,700-watt induction element, which uses chef-preferred induction cooktop technology to deliver precise heat to cookware only. That means you can do everything from boiling a quart of water in 101 seconds to melting butter at exact temperatures with amazing efficiency.

Ensure consistent temperatures across a large area - Evenly heat large griddles or enamel cookware across two 8" synchronized elements

Create a look that matches your personal style - Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste

Allow your appliances to interact with one another - Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights and vent when a range burner is in use, and even your microwave and range clocks

WIFI-ENABLED FEATURES

Built-In WiFi, Powered by SmartHQ App - Manage all aspects of your kitchen with the help of the SmartHQ $^{\mathbb{M}}$ App or your voice assistant

Personalized Features + Upgrades - Usher in the latest features by downloading cooking upgrades right to your oven, putting Air Fry and more in your repertoire

No-Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray

Gourmet results without any guesswork - Take culinary skills to the next level with Gourmet Guided Cooking, which combines video-guided recipes from chefs with a system that automatically adjusts the time, temperature and cooking pace for perfect results

Precise control for flawless results - Delight guests with the precision of sous vide cooking or perfectly prepared fondues and delicate sauces using a precision cooking probe that is sold separately

WARRANTY

Parts warranty	Limited 1-year entire appliance 90 days post-install on cooktop glass
Labor warranty	Limited 1-year entire appliance
Warranty notes	See written warranty for full details

DIMENSIONS

Receptacle Locations: Locally approved flexible service cord or conduit must be used because terminals are not accessible after range installation. See shaded area in drawing for location of electrical outlet box. Recommended outlet locations allow range to be installed directly against rear wall.

Note: This appliance has been approved for 0" spacing to adjacent surfaces above the cooktop. However, a 6" minimum spacing to surfaces less than 15" above the cooktop and adjacent cabinet is recommended to reduce exposure to steam, grease splatter and heat.

Installation Information: Before installing, consult installation instructions for current dimensional data and additional requirements.
