

# PANEL-READY 24" BUILT-IN UNDERCOUNTER BEVERAGE CENTER, LEFT SWING

## Signature Features

### DARING OBSIDIAN INTERIOR

Inspired by volcanic glass, this dark finish erupts with reflective, high-contrast style. Let the object of your desire emerge like vibrant art, begging to be consumed.

### UV-RESISTANT THERMAL GLASS

Sustain what satiates. Double-paned glass filters out ultraviolet light and rejects temperature swings to reserve the finest tastes for your discerning palate.

### SMOOTH CLOSE DOOR

Quiet, soft, secure. An articulating hinge discreetly ushers the door open and gently pulls it closed.

### EMOTIVE CONTROLS

Hold sway over every zone. Let your light-guided touch coax out the flavors of beverages, spirits and beyond.

### LED LIGHTING

LED lights instinctively come alive, chasing away shadows to reveal vivid details.

### INDEPENDENT TEMPERATURE ZONES

Compose ideal climates for choice beverages and tempting bites. Two temperature zones and six curated presets await your command.

### GLASS SHELVES

Gaze through platforms of glass wrapped in unyielding shelf frames.

### SMOOTH CLOSE RACKS

Smooth moves. Each beechwood rack opens and closes fluidly and quietly, even when fully loaded.

### 13 BOTTLE CAPACITY

Take your fill. Relish the spine-tingly flavors of imbibements at your leisure.
