

PANEL-READY 24" UNDER COUNTER GLASS DOOR REFRIGERATOR, LEFT SWING

Signature Features

DARING OBSIDIAN INTERIOR

Inspired by volcanic glass, this dark finish erupts with reflective, high-contrast style. Let the object of your desire emerge like vibrant art, begging to be consumed.

4 TEMPERATURE PRESETS

Chilled charcuterie. Liquid libations. Set each temperature zone according to your desires.

GLASS SHELVES

Gaze through platforms of glass wrapped in unyielding shelf frames.

INDEPENDENT TEMPERATURE ZONES

Compose ideal climates for choice beverages and tempting bites. Two temperature zones and six curated presets await your command.

UV-RESISTANT LOW-E THERMAL GLASS

Sustain what satiates. Double-paned glass helps filter out ultraviolet light and helps reject temperature swings to reserve the finest tastes for your discerning palate.

LED LIGHTING

LED lights instinctively come alive, chasing away shadows to reveal vivid details.

STEALTH FLUSH DESIGN

Create an unbroken silhouette. Discreet 1/8" reveals envelop every side, without exposed hinges or trim pieces.

EMOTIVE CONTROLS

Hold sway over every zone. Let your light-guided touch coax out the flavors of beverages, spirits and beyond.

SMOOTH CLOSE DOOR

Quiet, soft, secure. An articulating hinge discreetly ushers the door open and gently pulls it closed.
