

CLASSIC RETRO BY UNIQUE

30" ELECTRIC RANGE WITH CONVECTION OVEN

Classic
by UNIQUE

The 30" Classic Retro by Unique Electric Convection Range transports you back to the '50s with its iconic retro design and chrome finished accents. It has a sleek glass 5 element electric cooktop capable of an intense sear or delicate sauce simmering. This range also allows for convection cooking circulating heat for incredibly even distribution.

Create a Unique Classic Retro Kitchen!
