

## WPD39M Series

This UL-Rated Outdoor Pro-Style hood is constructed with brushed corrosion-resistant stainless steel to ensure long life in outdoor areas. This hood will remain a beautiful addition to your outdoor kitchen for many years to come.

- Modular Series with choices of internal or external (sold separately) blower systems. Internal features 1300 Max Blower CFM with quiet 2.0 sones operation at normal setting.
- Infinite-speed control gives you the convenience of automatically remembering last setting.
- Two-level LED cooktop lighting. (Bulbs included.)
- Easily accessible, dishwasher-safe corrosion-resistant stainless steel exclusive V-Baffle patent-pending filters with handles.
- Optional corrosion-resistant flue cover attaches to the top of the range hood.

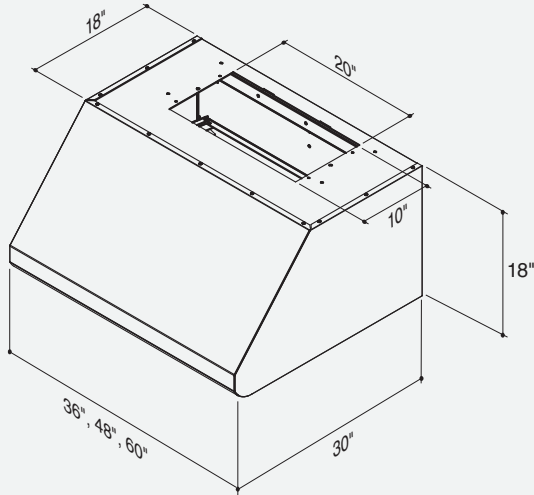

**best**<sup>®</sup>

PERFORMANCE THAT INSPIRES

At **BEST**, we make high performance range hoods that perform beautifully. Astonishingly quiet. Impressively effective. Remarkably efficient. And perfectly suited for the most distinguished kitchens.

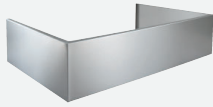

Whether it's the centerpiece of the room or letting its surroundings shine, **BEST** is where high-end performance inspires.
