

# 18" SINGLE DOOR COLUMN PANEL READY FREEZER

## BUILT-IN COLUMN

Elevate your kitchen with the epitome of sophistication and functionality - our 18" Built-In Freezer Column boasting an impressive 8.6 CuFt Capacity. This isn't just an appliance; it's a statement of modern living with ample storage space, customizable temperature control, and perfect preservation for your frozen goods.

Immerse yourself in seamless integration with Panel Ready Capabilities and unique 3D adjustment for flawless flush installation. Redefine your kitchen experience with a touch of elegance and practicality, all while enjoying the flexibility to configure your kitchen with different design layouts. Unlock the potential for personalized aesthetics and optimal functionality in every corner of your culinary space.

## PLUS FEATURES

**ARTICULATED HINGE** - Elica's articulating hinges enable a true zero clearance built in installation, giving a luxury flush

**QUIET OPERATION** - A speed-control motor, reduces exterior sound levels, while offering high ventilation performance to keep the constant interior temperature and dampening any possible vibration that could disturb the preservation of the wine or beverages.

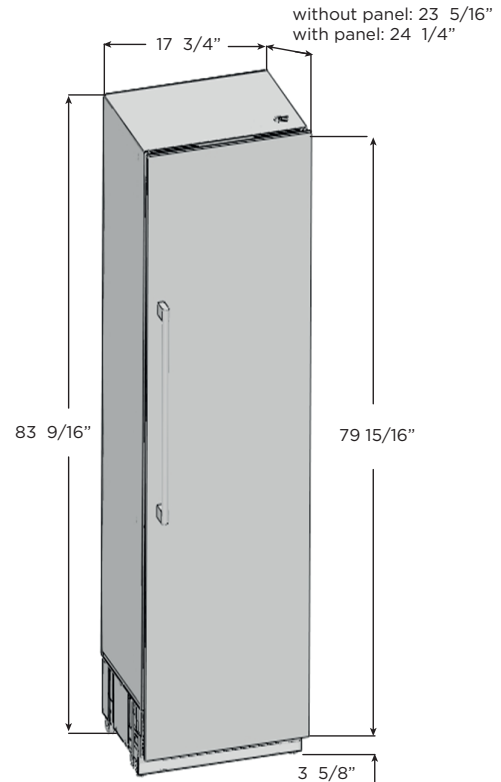

**PANEL READY** - Seamlessly integrate your undercounter drawer into your kitchen design by using custom panels that match your cabinetry. Elica's Panel Ready solution allows an easy and fast installation making it a perfect choice for those who values functionality and aesthetics.

**ECO-MODE** - Sustainable and environmentally friendly: Eco-Mode will maintain optimum interior temperature while saving energy consumption by turning the lights OFF.

**SMART STORAGE** - Design that optimize the interior space providing a flexible and customizable storage solution. With this feature, you can easily accommodate larger items and keep them secure, making it perfect for any modern kitchen.
