

30" DUAL-FUEL DOWNDRAFT SLIDE-IN RANGE

Signature Features

TRUE CONVECTION

Steady heat circulates around every rack by whirling metal blades. Flaunt your cooking prowess with mouthwatering, flaky pastries and irresistible roasts.

DIE-CAST METAL KNOBS

Robust, die-cast metal knobs offer precise control and coordinate with the range's design.

RISE™ DESIGN EXPRESSION

Forged for an era of striking proportions, robust lines of the RISE™ Design Expression draw the eye to its traditional yet unconventional design. Indulge in the details — a custom, diamond-knurled handle, brass-inspired bezels and a bold badge.

DOWNDRAFT VENTILATION

Developed and refined by JennAir brand, this downdraft ventilation system helps capture smoke, steam and odors at the cooking surface, drawing them down and out of the kitchen.

GLIDE RACK

The glide rack smoothly and quietly slides in and out, even when fully loaded.

17,000-BTU BURNER

Enjoy the robust heat necessary for high-powered cooking techniques, whether searing a steak, stir-frying vegetables or rapidly boiling water.

DURAFINISH™ PROTECTION

DuraFinish™ Protection keeps your cooktop's stainless steel surface looking new by resisting yellowing, staining and scratching.

CAST-IRON GRATES

Wash these cast-iron grates right in the dishwasher when they get messy, thanks to a dishwasher-safe finish that makes them easy to clean.

6.2 CU. FT. CAPACITY

A generous 6.2 cu. ft. capacity of the oven cavity lets you cook multiple dishes on multiple racks at once.

JDS1750ML
