

# RSDU36RX

|                          |                |
|--------------------------|----------------|
| Product Family           | Refrigerator   |
| Installation             | Built-in       |
| Category                 | One Door       |
| Built-in niche           | >200           |
| Sistema Total No - Frost | Total          |
| Cooling type             | Total No Frost |
| Defrost                  | Automatic      |
| Hinge type               | Door on door   |
| Hinge position           | Right          |
| EAN code                 | 8017709332730  |

## Aesthetics

|                 |                 |                              |                   |
|-----------------|-----------------|------------------------------|-------------------|
| Aesthetic       | Universale      | Side material                | Steel             |
| Colour          | Stainless steel | Logo                         | Applied           |
| Material        | Stainless steel | Door shelves profile color   | Silver            |
| Door steel type | Normal          | Drawers profile color        | Silver            |
| Handle          | External        | Color of glass shelf profile | Silver            |
| Handle type     | Fixed           | Display                      | TFT               |
| Handle colour   | Stainless steel | Display porition             | Interno (sul Top) |
| Logo colour     | Stainless Steel |                              |                   |

## Refrigerator compartment features

|                                        |                                 |                                         |                  |
|----------------------------------------|---------------------------------|-----------------------------------------|------------------|
| Number of compartments                 | 3                               | Type of crisper/vegetable drawers cover | On sliding rails |
| Compartment types                      | Fruit and vegetable compartment | Crisper Cover                           | Yes              |
| No. of adjustable shelves              | 3                               | Type of crisper/vegetable drawers cover | Glass            |
| Number of fruit and vegetables drawers | 3                               | Internal light in fridge                | Yes              |
| Shelves material                       | Glass                           | Type of internal light (fridge)         | LED              |

## Refrigerator Inner Door

|                                           |     |                                  |     |
|-------------------------------------------|-----|----------------------------------|-----|
| Number of adjustable door shelves         | 3   | Bottle shelves with wire support | Yes |
| Adjustable door shelves with wire support | Yes |                                  |     |

## Other Refrigerator features

MultiFlow Yes

## Other technical features

|                             |                                                              |
|-----------------------------|--------------------------------------------------------------|
| Functions display           | Holiday, Fast cooling, Temperature alarm, Demo Mode, Sabbath |
| Power on lamp               | Yes                                                          |
| Temperature alarm lamp      | Yes                                                          |
| Door open alarm             | Yes                                                          |
| Temperature Alarm           | Yes                                                          |
| Type of temperature control | Electronic                                                   |
| No. of compressors          | 2                                                            |
| Refrigerant gas type        | R600a                                                        |
| Type of compressor          | Inverter                                                     |
| Refrigerant Quantity (gr)   | 3.0 oz                                                       |

## Performance / Energy Label - Reg. 2019

|                           |              |                                                                                |              |
|---------------------------|--------------|--------------------------------------------------------------------------------|--------------|
| Annual energy consumption | 355 kWh/year | Sum of the volumes of the chill compartment(s) and the unfrozen compartment(s) | 21.5 cu. ft. |
| Total net volume          | 21.5 cu. ft. |                                                                                |              |

## Electrical Connection

|                |       |                           |                |
|----------------|-------|---------------------------|----------------|
| Current        | 2 A   | Power supply cable length | 78 3/4 "       |
| Voltage (V)    | 115 V | Plug                      | (B) NEMA 5-15P |
| Frequency (Hz) | 60 Hz |                           |                |

## Logistic Information

|                             |           |                                          |            |
|-----------------------------|-----------|------------------------------------------|------------|
| Width                       | 35 7/8 "  | Height of the built-in niche             | 84 "       |
| Width of the built-in niche | 36 "      | Product width with maximum doors opening | 41 3/8 "   |

|                                                                                  |                                                                                                                                 |                                                                                   |                                                                                                                                                          |
|----------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether. |  | Power saving mode: The power saving mode allows you to disable the refrigerator and keep the freezer working.                                            |
|  | LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.           |  | Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption. |
|  | Air plus: keeps food fresher for longer.                                                                                        |  | SABBATH: function that allows to cook food respecting Judaism's day of rest provisions.                                                                  |
