SAMSUNG KNOX SECURITY

YOUR PRIVACY SECURED

All of your TV experiences are secured by Knox. Samsung Knox Security secures against harmful attacks by automatically block execution of unauthorized malicious apps or access to phishing sites, and even secures your home IoT devices connected to your TV. So your sensitive data such as pin codes or passwords are protected by multiple layers of software and hardware. Lastly, Samsung’s dedicated security team helps keep your TV safe with constant updates. Your privacy is now secured on Samsung TVs.

ONE UI TIZEN

UPSCALE YOUR ENTERTAINMENT WITH SAMSUNG TIZEN OS

Samsung Tizen OS upscales your entertainment with the latest apps & services including Samsung TV Plus with 200+ free live TV channels and 1000s of movies on demand, Gaming Hub with cloud gaming services (no console required), Daily+ where you can easily manage your daily activities, and SmartThings where you can control your smart devices from your TV. Samsung Tizen OS keeps your privacy and personal info. secured via Samsung Knox Security.

*Content and services may vary by region and are subject to change without notice. Agreement to Smart Hub Terms and Conditions and Privacy Policy is required before use. Some content and services require registration and subscription. Requires Samsung account. You will need a Samsung Account to access the full range of Samsung Tizen OS features. If you choose not to login in, you will only be able to connect to terrestrial TV(applicable to devices with tuners only) and external devices, e.g. via HDMI. You may need a separate device (e.g., PC or mobile) to create a Samsung Account.
