

iRobot® Roomba® 105 Combo Robot Vacuum & Mop + AutoEmpty™ Dock

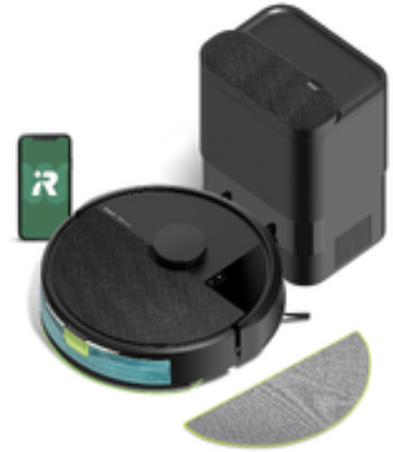

Internal Supplier Part #

Y354020

Marketing Copy (< 100 Characters)

The Roomba® 105 Combo Robot + AutoEmpty™ Dock is made for every kind of wet and dry floor-cleaning task. The self-emptying dock holds up to 75 days of debris in a bag you just lift out and toss away. The 4-stage cleaning system delivers high-performance cleaning by combining 70X more intense power-lifting suction*, an edge-sweeping brush that cleans 20% better*, a multi-surface brush to pick up all kinds of dirt, and a washable, re-usable microfiber pad to wipe away spills. ClearView™ LiDAR quickly maps your home for precise coverage. Choose from 3 cleaning options - mop, vacuum, or vacuum-and-mop at the same time. Using water or cleaning solution**, choose the perfect amount of liquid for the job, and set SmartScrub to 2X deeper scrubbing*** of high-traffic areas the way you would to erase the messes of the day. Tap the app, push the robot's buttons or ask your preferred voice assistant**** for an on-demand clean. *As compared to Roomba® 600 series robots**Visit iRobot website for list of compatible cleaning solutions***With SmartScrub engaged, compared to the standard mop mode for IEC standards for coffee.****Works with Alexa, Siri, and Google Assistant-enabled devices. Alexa and all related logos are trademarks of Amazon.com. Spend less. Smile more. or its affiliates. Google and Google Home are trademarks of Google LLC. Siri is a registered trademark of Apple Inc., registered in the U.S. and other countries and regions.

Marketing Bullet #1

UP TO 75 DAYS HANDS-FREE CLEANING Dirt and dust stay gone because it empties into the AutoEmpty™ dock with a bag that traps 99% of allergens as small as 0.7 microns That means no mess or cloud of dust when you empty it- Just drop the used bag into the trash and put a new one in the base

Marketing Bullet #2

DEVOURS DIRT WITH 70X MORE POWER-LIFTING SUCTION Find, reach and eliminate messes with the combined power of 70X more suction*, multi-surface brush, 20% better edge and corner cleaning with an edge-sweeping brush, to devour dirt and dust bunnies, plus a microfiber mop pad to leave floors shiny

Marketing Bullet #3	SUPER-SMART MAPPING AND NAVIGATION ClearView™ LiDAR quickly maps your home, avoids obstacles and cleans in neat rows, even in the dark
Marketing Bullet #4	RUGS STAY DRY WHILE MOPPING- Unlike other cleaning robots, the Roomba® 105 Combo Robot automatically detects and avoids carpets while mopping so your rugs stay dry – no complex programming required
Marketing Bullet #5	FULLY CUSTOM CLEANING- Choose from settings including vac only, mop only, or combo vac-mop- Schedule and target rooms based on your daily routine and adjust the number of cleaning passes, levels of suction power, and amount of mopping solution pumped onto the microfiber mopping pad
Marketing Bullet #6	EASY-TO-USE ROOMBA® HOME APP Simply tap to set a custom clean, get time estimates, check on the filter life, or create keep-out zones to avoid specific areas
Marketing Bullet #7	2X DEEPER SCRUBBING- Leave floors beautifully cleaned thanks to the built-in mop with a micro-pump controlling water flow and keeping the mopping pad uniformly moist during cleaning- Use water or a compatible cleaning solution*, and choose SmartScrub for 2x deeper scrubbing**
Marketing Bullet #8	3 EASY WAYS TO CONTROL Conveniently control your Roomba® robot by speaking to your preferred voice assistant-enabled* devices, tapping the app, or pressing the robot's buttons
Marketing Bullet #9	BLENDS IN BEAUTIFULLY The Roomba® 105 Combo Robot + AutoEmpty™ Dock's sleek look is inspired by modern design with beautiful finishes and textures that blend easily with home décor
Marketing Bullet #10	WIFI® READY. Uses a 2.4 GHz network for setup and operation. After setup, your robot will stay on 2.4GHz for operation and your phone can return to 5GHz.
