Brume

Features

11.5” Mattress

1. **Cooling Knit Fabric**
   Knitted fabric that delivers a cool-to-the-touch sleeping surface.
2. **1.7" Convoluted Foam**
   Improves airflow and enhances pressure relief.
3. **0.4" Comfort Foam**
   Adds cushioning and gentle support.
4. **1" Foam with Gel Memory Foam Lumbar**
   Combines targeted lumbar cushioning with surrounding comfort foam.
5. **1.4" Comfort Foam**
   Adds cushioning above the support system.
6. **7.1" Foam Incased Pocket Coil**
   Individually wrapped 11⅓ gauge coils provide responsive support and reduced motion transfer, with 3" × 4" foam encasement for reinforced edges.
