KEY FEATURES

TRAVEL SYSTEM READY

From birth to toddler
One stroller, three ways to ride. Attach a COT S LUX, an infant car seat or a seat unit to adapt the stroller for any journey.

ADVANCED SUSPENSION

Smooth rides every time
Enjoy a new level of riding comfort thanks to the combination of front-wheel suspension and innovative frame-based rear suspension.

ERGONOMIC NEAR LIE-FLAT POSITION

Comfort from birth
The huge reversible seat unit of the BALIOS S LUX is the last word in luxurious comfort and coziness, and is fully adjustable into an ergonomic lie-flat position for use from birth.

ONE-PULL HARNESS

On- & offboarding in seconds
Secure your child in seconds. One hand is all you need to fit the harness to the perfect form-hugging position.

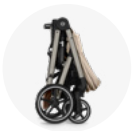

XXL SUN CANOPY WITH MESH INSERT

Shield your child from the elements with an extendable XXL sun canopy made of UPF50+ protective fabric, featuring a mesh window for breathability and healthy air circulation on hot days.

ONE-HAND HEIGHT-ADJUSTABLE HANDLEBAR

Allowing the steering level to be tailored to the height of the parent, the handlebar height can be easily adjusted with one hand.

ONE-HAND FOLD INTO SELF -STANDING POSITION

With one hand the BALIOS S LUX can be easily folded into a free-standing package, for convenient stowing and storage.

SPACIOUS SHOPPING BASKET

A 22 lb load capacity makes the BALIOS S LUX an invaluable companion for the weekly shop, day trips and picnics.

NEVER-FLAT ALL-TERRAIN WHEELS

Go off-road with confidence, with wheels that won't puncture no matter how tough the terrain.

BALIOS S LUX

KEY MESSAGE

Made for the city

INTRO TEXT

Live city life to the max with the BALIOS S LUX, giving you all the flexibility and luxurious comfort you and your child could wish for from day one. Travel system ready, it's got every base covered, giving you the choice between the COT S LUX, CYBEX infant car seat or a stroller seat. Curbs, cobbles or bumpy sidewalks are easy to tackle with its advanced, city-ready suspension and you don't need to worry about punctures ruining your trip either. The ergonomic lie-flat recline lets even the smallest babies enjoy the smoothest rides, while the unique one-pull harness supplies the snuggest, safest fit in seconds. Depending on the day's adventure, simply alternate the seat between parent or forward-facing.

Looking as good as it handles, sleek design and colors mean it's just made for the city.

ADDITIONAL INFORMATION

AGR - AKTION GESUNDER RÜCKEN
AGR is an independent, German organization that evaluates products for their ability to relieve and avoid back-pain, one of the most common health issues worldwide today. CYBEX has been granted their much-vaunted Seal of Approval for this product, recognizing its unique ergonomic design and functionality for both parents and children alike.
