*The warranty **does not** extend to any furniture that receives damage during any transportation other than transportation provided directly by Lind Furniture (Canada) Ltd.*

The warranty does not apply to products that are sold “as is”, in a distressed condition, or if the product was a floor or display model.

To be serviced under this warranty

All claims must go through the store where the product was purchased.

Warranty claims can only be processed with proof of original purchase and product information detailed on the reverse of the furniture law label. Consumers are requested to retain any labels that may be removed from the furniture.

If Lind Furniture determines that the product should be returned to the factory, then a Return Authorization will be issued to you. Any item returned to the factory without proper authorization will not be accepted. (See Repair & Return Policy for further information).

Lind Furniture reserves the right to limit any warranty in a situation where the claim is deemed unreasonable when considering the age of the furniture and the natural deterioration of the furniture caused by normal daily use by the consumer.
